Sub : LG Mobile Business Opportunity

Dear Sirs,

We wish to inform you that LG has appointed the company as a Distributor of their mobile phones for Tamil Nadu market. We expect to do about Rs. 150 to 180 Crores turnover in FY11 in this product. This new sign-up is expected to give a fillip to our quest to add new brands in the Non-IT space in India.

Under this tie-up, the company would do billing through new City Distributors (CD) to be appointed across Tamil Nadu.

Thanking you,

Very truly yours,

M. Muthukumarasamy
Company Secretary.
