3. The figures for quarter ended March 31, 2026 and March 31, 2025 are the balancing figures between the audited figures in respect of the financial year ended March 31, 2026 and March 31, 2025 respectively, and published year to date figures for the 9 months ended December 31, 2025 and December 31, 2024 respectively, which were subjected to limited review by the statutory auditors.
4. The above financial results have been prepared in accordance with the Indian Accounting Standards ("Ind AS"), notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").
5. Disclosure of reportable segments, "SISA" (Singapore, India & South Asia) and "ROW" (Rest of the World) have been made in a manner consistent with internal reporting to the Managing Director and Group Chief Executive Officer who is the Chief Operating Decision Maker ("CODM") for the Group, in line with provisions of Ind AS 108, *Operating Segment*.
6. During the quarter ended March 31, 2026:
 - i. Pursuant to the approval from the Board of Redington International Mauritius Ltd (wholly owned subsidiary of the Company) and the fulfilment of the applicable regulatory & procedural requirements, re-domiciliation of the subsidiary from Mauritius to United Arab Emirates has been completed in line with the Group's strategic objectives and future plans. The re-domiciliation has not resulted in any change in the ultimate ownership or control of the subsidiary.
 - ii. The stepdown subsidiary of the Company, Arena Bilgisayar Sanayi Ve Ticaret A.S, Turkey ("Arena"), a company listed in Istanbul, Turkey, has, pursuant to scheme of internal restructuring, transferred 100% of the ownership of Arena Connect Teknoloji Sanayi ve Ticaret A.Ş ("Arena Connect", a wholly owned subsidiary of Arena) to Arena Mobile İletişim Hizmetleri ve Tüketici Elektronik Sanayi ve Ticaret A.Ş ("Arena Mobile", also a wholly owned subsidiary of Arena) and Arena Mobile was merged with Arena Connect, the subsisting entity, effective February 09, 2026.

Based on the assessment, taking into account challenging economic conditions in Turkey and revised future projections, an impairment loss of ₹ 152.31 Crores has been recognized and disclosed as an Exceptional item in the above financial results (impact on the Consolidated Profit After Tax (PAT) of the Company after Non-controlling interests: ₹ 75.24 Crores). In the previous year, Exceptional item represents gain on divestment of Paynet Ödeme Hizmetler A.Ş ("Paynet"), our step-down subsidiary.
7. The Company continues to assess the evolving situation in the Middle East to mitigate any prospective risks to its global footprint. For this purpose, the Company considered internal and external sources of information up to the date of approval of these financial results. Currently, while the operations are dynamically adapting to the ongoing situation, the Company does not foresee any material adverse effects on its financial position resulting from the geo-political conflict.

8. On November 21, 2025, the Government of India notified four Labour Codes – the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes', consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs on December 30, 2025, to facilitate assessment of the financial impact arising from these regulatory changes.
Based on the Company's assessment, the impact of the notification is not material and has been appropriately accounted for in the consolidated/standalone financial results for the quarter and year ended March 31, 2026. The Company will continue to monitor the finalisation of State Rules and government clarifications to recognise any financial impact as appropriate.
9. The Board of Directors at its meeting held on May 13, 2026, has recommended a dividend of ₹ 6/- per equity share of ₹ 2/- each (i.e., 300% of face value) for the financial year ended March 31, 2026, subject to the approval of shareholders in the ensuing Annual General Meeting.

Formulae for calculation of ratios are as follows:

- (a) Debt service coverage ratio = $(\text{Profit / (loss) before tax} - \text{Dividend income} + \text{Interest expenses}) / (\text{Interest expenses} + \text{Repayment of Long-term loans during the year})$
For the purpose of calculation, loans having original maturity of more than 360 days are considered as Long-term loans.
- (b) Interest service coverage ratio # = $(\text{Profit / (loss) from ordinary activities before tax} - \text{Dividend income} + \text{Interest expenses} - \text{Interest income earned on surplus funds}) / (\text{Interest expenses} - \text{Interest income earned on surplus funds})$.
- (c) Debt equity ratio = $(\text{Total debt} - \text{Cash and cash equivalents and other bank balances} - \text{Short term investments}) / (\text{Total equity} - \text{Investments in subsidiaries})$
- (d) Net worth = Equity share capital + Other equity
- (e) Current ratio = Current assets / Current liabilities
- (f) Current liabilities ratio = Current liabilities / Total liabilities
- (g) Long term debt to Working capital = Long term borrowings (including current portion of long-term borrowings) / Working capital
Working capital = Current assets (excluding Assets classified as held for sale) - Current liabilities (excluding current maturities of long term debt, interest accrued on borrowings).
- (h) Bad debts to Accounts receivable ratio = Bad debts / Trade receivables
- (i) Total debts to Total assets ratio = $(\text{Non-current borrowings} + \text{Current borrowings}) / \text{Total assets}$
- (j) Debtors turnover ratio (number of times) (annualized) = Revenue from operations / Average Trade receivables
- (k) Inventory turnover ratio (number of times) (annualized) = $(\text{Purchases of traded goods} + \text{Changes in inventories of traded goods}) / \text{Average Inventories}$
- (l) Operating margin (%) = $(\text{Profit before tax} + \text{Finance costs} - \text{Dividend income}) / \text{Revenue from operations}$
- (m) Net profit margin (%) = Net profit after tax excluding dividend income / Revenue from operations

Since interest income has been obtained from surplus funds, the same has been adjusted with interest expense for interest service coverage ratio computation.

The Board of Directors is also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended March 31, 2026

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2026 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 and Regulation 52(4) of the LODR Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company and its branch to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2026

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2026 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

- The Statement includes the results for the Quarter ended March 31, 2026 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Auditor's Responsibilities

(a) Audit of the Consolidated Financial Results for the year ended March 31, 2026

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended March 31, 2026 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 and Regulation 52(4) of the LODR Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the LODR Regulations to the extent applicable.

- Obtain sufficient appropriate audit evidence regarding the Annual Financial Information of the entities within the Group and its associate to express an opinion on the Annual Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Annual Consolidated Financial Results of which we are the independent auditors. For the entities included in the Annual Consolidated Financial Results, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Consolidated Financial Results for the quarter ended March 31, 2026

We conducted our review of the Consolidated Financial Results for the quarter ended March 31, 2026 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAS specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The Statement includes the results of the entities as listed under paragraph (a)(i) of Opinion and Conclusion section above.
