REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

DIRECTORS' STATEMENT

The directors present their statement together with the audited consolidated financial statements of the Group and statement of financial position and statement of changes in equity of the Company for the financial year ended March 31, 2026.

In the opinion of the directors, the consolidated financial statements of the Group and the statement of financial position, statement of profit or loss and other comprehensive income and statement of changes in equity of the Company as set out on pages 6 to 46 are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at March 31, 2026, and the financial performance, changes in equity and cash flows of the Group and the financial performance and changes in equity of the Company for the financial year then ended and at the date of this statement, there are reasonable grounds to believe that the Group and Company will be able to pay their debts when they fall due.

1 DIRECTORS

The directors of the Company in office at the date of this statement are:

Professor J. Ramachandran
Keith William Frederick Bradley
Vishnampet Sethuraman Hariharan (Appointed on May 10, 2025)

2 ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE BENEFITS BY MEANS OF THE ACQUISITION OF SHARES AND DEBENTURES

Neither at the end of the financial year nor at any time during the financial year did there subsist any arrangement whose object is to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures in the Company or any other body corporate.

3 DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

The directors of the Company holding office at the end of the financial year had no interests in the share capital and debentures of the Company and related corporations as recorded in the register of directors' shareholdings kept by the Company under Section 164 of the Companies Act 1967.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF

REDINGTON DISTRIBUTION PTE LTD

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Redington Distribution Pte Ltd (the "Company") and its subsidiaries (collectively, the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at March 31, 2026, and the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and consolidated statement of cash flows of the Group, and the statement of profit or loss and other comprehensive income and statement of changes in equity of the Company for the year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 6 to 46.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at March 31, 2026 and of the consolidated financial performance, consolidated changes in equity, and consolidated cash flows of the Group and the financial performance and changes in equity of the Company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the *Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

Management is responsible for other information. The other information comprises Directors' statement set out on pages 1 and 2, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF REDINGTON DISTRIBUTION PTE LTD

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSS, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF
REDINGTON DISTRIBUTION PTE LTD**

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the Group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

1. CORPORATE INFORMATION

Redington Distribution Pte Ltd (the "Company") is a limited liability company incorporated and domiciled in Singapore. The registered office and principal place of business of the Company is located at 60 Robinson Road, #12-02 BEA Building, Singapore 068892.

The principal activities of the Company are that of a general merchant and importer and exporter of computers, computer peripherals and components. The principal activities of the subsidiary companies are disclosed in Note 12 to the financial statements. There have been no significant changes in the nature of these activities during the financial year.

1.1 BASIS OF PREPARATION

The financial statements have been prepared on historical cost basis, except as disclosed in the material accounting policy information below, and are drawn up in accordance with the provisions of the Companies Act 1967 and Financial Reporting Standards in Singapore ("FRSs"). The financial statements are expressed in United States dollars.

1.2 ADOPTION OF NEW AND REVISED STANDARDS

In the current year, the Company has applied all the new and revised FRSs that are mandatorily effective for an accounting period that begins on or after January 1, 2025. Their adoption has not had any material impact on the disclosures or on the amounts reported in these financial statements.

1.3 NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS EFFECTIVE ON OR AFTER JANUARY 1, 2026 AND HAVE NOT BEEN EARLY ADOPTED

At the date of authorisation of these financial statements, there are a number of new standards, amendments to standards and interpretations that are effective for annual periods beginning after January 1, 2026, and have not been applied in preparing these financial statements.

Effective for annual periods beginning on or after January 1, 2026

- Amendments to FRS 109 and FRS 107: *Amendments to the Classification and Measurement of Financial Instruments*

Effective for annual periods beginning on or after January 1, 2027

- FRS 118 *Presentation and Disclosure in Financial Statements*

Management anticipates that the adoption of the above amendments to FRS and other new or revised FRSs in future periods will not have a material impact on the financial statements of the Group and Company in the period of their initial adoption, except as follows:

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

FRS 118 *Presentation and Disclosure in Financial Statements*

FRS 118 replaces FRS 1 *Presentation of Financial Statements*, carrying forward many of the requirements in FRS 1 unchanged and complementing them with new requirements. In addition, some FRS 1 paragraphs have been moved to FRS 8 *Accounting Policies, Changes in Accounting Estimates and Errors* and FRS 107 *Financial Instruments: Disclosures*. Furthermore, minor amendments to FRS 7 *Statement of Cash Flows* and FRS 33 *Earnings per Share* have been made.

FRS 118 introduces new requirements to:

- present specified categories and defined subtotals in the statement of profit or loss.
- provide disclosures on management-defined performance measures (MPMs) in the notes to the financial statements.
- improve aggregation and disaggregation.

In addition, all entities are required to use the operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method. The Group and Company are still in the process of assessing the impact of this new standard, particularly with respect to the structure of the Group's and Company's statement of profit or loss, the Group's statement of cash flows and additional disclosures required for MPMs. The amendments to FRS 7 and FRS 33, as well as the revised FRS 8 and FRS 107, become effective when an entity applies FRS 118. FRS 118 requires retrospective application with specific transition provisions.

2. MATERIAL ACCOUNTING POLICY INFORMATION

BASIS OF CONSOLIDATION - The consolidated financial statements incorporate the financial statements of the Company and entities (including structured entities) controlled by the Company and its subsidiaries. Control is achieved when the Company:

- Has power over the investee;
- Is exposed, or has rights, to variable returns from its involvement with the investee; and
- Has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- The size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- Potential voting rights held by the Company, other vote holders or other parties;
- Rights arising from other contractual arrangements; and
- Any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the period are included in the consolidated statement of profit or loss and other comprehensive income from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring its accounting policies in line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the Group are eliminated on consolidation.

In the Company's separate financial statements, investments in subsidiaries are carried at cost less any impairment in net recoverable value that has been recognised in profit or loss.

FINANCIAL INSTRUMENTS - Financial assets and financial liabilities are recognised on the statement of financial position when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value, except for trade receivables that do not have a significant financing component which are measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Amortised cost and effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period.

For financial instruments, the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses, through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. On the other hand, the gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

Interest income is recognised using the effective interest method for debt instruments measured subsequently at amortised cost, except for short-term balances when the effect of discounting is immaterial.

Interest income is recognised in profit or loss and is included in the "finance income" line item.

Impairment of financial assets

The Group recognises a loss allowance for expected credit losses ("ECL") for trade receivables. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

The Group always recognises lifetime ECL for trade receivables. The expected credit losses on these financial assets are estimated using the specific identification method based on the Group's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial instruments, the Group recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12-month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition instead of on evidence of a financial asset being credit-impaired at the reporting date or an actual default occurring.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Significant increase in credit risk

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort. Forward-looking information considered includes the future prospects of the industries in which the Group's debtors operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organisations, as well as consideration of various external sources of actual and forecast economic information that relate to the Group's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- the financial instrument has a low risk of default,
- the borrower has a strong capacity to meet its contractual cash flow obligations in the near term, and
- adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

Irrespective of the outcome of the above assessment, the Group presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Group has reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Group assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date. A financial instrument is determined to have low credit risk if i) the financial instrument has a low risk of default, ii) the debtor has a strong capacity to meet its contractual cash flow obligations in the near term, and iii) adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

The Group regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

Definition of default

The Group considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that financial assets that meet either of the following criteria are generally not recoverable:

- when there is a breach of financial covenants by the debtor; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Group, in full (without taking into account any collaterals held by the Group).

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Irrespective of the above analysis, the Group considers that default has occurred when a financial asset is more than 90 days past due unless the Group has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- a) significant financial difficulty of the issuer or the borrower;
- b) a breach of contract, such as a default or past due event;
- c) the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider;
- d) it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- e) the disappearance of an active market for that financial asset because of financial difficulties.

Write-off policy

The Group writes off a financial asset when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above. As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date, the exposure includes the amount of drawn down as at the reporting date, together with any additional amounts expected to be drawn down in the future by default date determined based on historical trend, the Group's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the expected credit loss is estimated as the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate.

If the Group has measured the loss allowance for a financial instrument at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Group measures the loss allowance at an amount equal to 12-month ECL at the current reporting date.

The Group recognises an impairment gain or loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

Trade payables and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, except for short-term payables where the recognition of interest is immaterial.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

LEASES - The Group assesses whether a contract is or contains a lease, at inception of the contract. The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses the incremental borrowing rate specific to the lessee.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives.

The lease liability is presented as a separate line in the statements of financial position.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- the lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used); or
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under FRS 37. The costs are included in the related right-of-use asset.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

The right-of-use assets are presented as a separate line in the statements of financial position.

The Group applies FRS 36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in "Impairment of non-financial assets" accounting policy below.

INVENTORIES - Inventories are stated at the lower of cost and net realisable value. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Cost is calculated using the weighted average method. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

PLANT AND EQUIPMENT - Plant and equipment are carried at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is recognised so as to write off the cost of assets over their estimated useful lives, using the straight-line method, on the following bases:

Computer	-	3 years
Furniture and equipment	-	5 years
Leasehold improvements	-	5 years
Motor vehicle	-	5 years

The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

The gain or loss arising on the disposal or retirement of an item of plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Fully depreciated assets still in use are retained in the financial statements.

IMPAIRMENT OF NON-FINANCIAL ASSETS - At the end of each reporting period, the Group reviews the carrying amounts of its non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

PROVISIONS - Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

REVENUE RECOGNITION - The Group recognises revenue from sale of product. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Group recognises revenue when it transfers control of a product or service to the end customer.

Sale of computers, computer peripherals and components

The Group supplies computers, computer peripherals and components to external customers.

Revenue is recognised at a point in time when control of the products has transferred, being when the products are delivered to the customers based on the sales incoterms. Delivery occurs when the products have been shipped to the specific location and all criteria for acceptance have been satisfied. The goods are often sold with retrospective sales commissions based on the aggregate sales over a period of time.

The Group recognises the expected sales commissions payable to the dealers when consideration have been received from customers. At the end of each reporting date, the Group updates its assessment of the estimated transaction price, including its assessment of whether an estimate of variable consideration is constrained. The corresponding amounts are adjusted against revenue in the period in which the transaction price changes.

Fee income

Fee income is recognised upon services rendered in accordance to terms of the agreement.

Interest income

Interest income is recognised using the effective interest method.

RETIREMENT BENEFIT OBLIGATIONS - Payments made to state-managed retirement benefit schemes, such as the Singapore Central Provident Fund, are dealt with as payments to defined contribution plans and are charged as an expense as they fall due.

EMPLOYEE LEAVE ENTITLEMENT - Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

SHARE-BASED PAYMENT TRANSACTIONS OF THE COMPANY. Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date. The fair value excludes the effect of non-market-based vesting conditions.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of the number of equity instruments that will eventually vest. At each reporting date, the Group revises its estimate of the number of equity instruments expected to vest as a result of the effect of non-market-based vesting conditions. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to reserves.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Equity-settled share-based payment transactions with parties other than employees are measured at the fair value of the goods or services received, except where that fair value cannot be estimated reliably, in which case they are measured at the fair value of the equity instruments granted, measured at the date the entity obtains the goods or the counterparty renders the service.

INCOME TAX - The income tax expense represents the sum of the tax currently payable.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in profit or loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

A provision is recognised for those matters for which the tax determination is uncertain but it is considered probable that there will be a future outflow of funds to a tax authority. The provisions are measured at the best estimate of the amount expected to become payable. The assessment is based on the judgement of tax professionals within the Company supported by previous experience in respect of such activities and in certain cases based on specialist independent tax advice.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognised in profit or loss.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION - The individual financial statements of each Group entity are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are presented in United States dollar, which is the functional currency of the Company, and the presentation currency for the consolidated financial statements.

In preparing the financial statements of the individual entities, transactions in currencies other than the entity's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing on the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items, and on retranslation of monetary items are included in profit or loss for the period.

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Group's foreign operations are expressed in United States dollar using exchange rates prevailing at the end of the reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuated significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in a separate component of equity under the header of foreign exchange translation reserve.

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign operation, or a disposal involving loss of control over a subsidiary that includes a foreign operation, loss of joint control over a jointly controlled entity that includes a foreign operation, or loss of significant influence over an associate that includes a foreign operation), all of the accumulated exchange differences in respect of that operation attributable to the Group are reclassified to profit or loss. Any exchange differences that have previously been attributed to non-controlling interests are derecognised, but they are not reclassified to profit or loss.

In the case of a partial disposal (i.e. no loss of control) of a subsidiary that includes a foreign operation, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss.

3. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Group's material accounting policies, which are described in Note 2, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Group's material accounting policies

Management is of the opinion that any instances of application of judgements are not expected to have a significant effect on the amounts recognised in the financial statements, apart from estimation uncertainty disclosed below.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below:

(a) Estimation of lease term

When estimating the lease term of the respective lease arrangement, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option, including any expected changes in facts and circumstances from the commencement date until the exercise date of the option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

The Group included the extension option in the lease term for leases of office, warehouses and as the management is reasonably certain that the option will be exercised.

The carrying amount of lease liabilities is disclosed in Note 17 to the financial statements.

(b) Taxation provisions

The Group has exposure to income taxes in Singapore, Qatar and India. Significant judgement is involved in determining the provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities for expected tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made. The carrying amounts of income tax payable of the Group and the Company as at March 31, 2026 are US\$8,617,680 and US\$7,032,723 (2025 : US\$9,106,377 and US\$8,377,345) respectively.

(c) Calculation of loss allowance

When measuring ECL, the Group uses reasonable and supportable forward-looking information, which is based on assumptions for the future movement of different economic drivers and how these drivers will affect each other.

Loss given default is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancements.

Probability of default constitutes a key input in measuring ECL. Probability of default is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.

The carrying amount of trade and other receivables at the end of the reporting period are disclosed in Note 14 to the financial statements.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

4. FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL MANAGEMENT

(a) *Categories of financial instruments*

The following table sets out the financial instruments as at the end of the reporting period.

	Group		Company	
	2026	2025	2026	2025
	US\$	US\$	US\$	US\$
Financial assets				
Amortised cost	90,050,411	74,845,848	32,283,141	30,731,439
Financial liabilities				
Amortised cost	67,344,627	43,749,415	22,303,060	17,714,594
Lease liabilities	1,031,250	624,759	158,713	278,315

(b) *Financial instruments subject to offsetting, enforceable master netting arrangements and similar agreements*

The Group does not have any financial instruments which are subject to enforceable master netting arrangements or similar netting agreements.

(c) *Financial management policies and objectives*

The Group is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, liquidity risk and foreign currency risk. The policies for managing each of these risks are summarised below. The Group does not hold or engages derivative financial instruments.

The following sections provide details regarding the Group's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks.

i) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The major classes of financial assets of the Group are cash and bank balances, bank deposits and trade receivables. For trade receivables, the Group adopts the policy of dealing only with customers with high credit rating. Cash at banks are placed with or entered into with reputable financial institutions.

Credit exposure to an individual counterparty is guided by credit limits that are approved by the management. The counterparty's payment profile and credit exposure are continuously monitored by the management.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

The Group's current credit risk grading framework comprises the following categories:

Category	Description	Basis for recognising expecting credit losses (ECL)
Performing	The counterparty has a low risk of default and does not have any past-due amounts.	12-month ECL
Doubtful	Amount is >30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime ECL - not credit-impaired
In default	Amount is >90 days past due or there is evidence indicating the asset is credit-impaired.	Lifetime ECL - credit-impaired
Write-off	There is evidence indicating that the debtor is in severe financial difficulty and the Group has no realistic prospect of recovery.	Amount is written-off

The table below details the credit quality of the financial assets as well as maximum exposure to credit risk by credit risk rating grades:

					<u>(541,204)</u>	

- (i) The Group provides for lifetime expected credit losses for all trade receivables using a provision matrix. The provision rates are determined based on the Group's historical observed default rates analysed in accordance to days past due by customers. The expected credit losses also incorporate forward looking information such as forecast of economic conditions where the gross domestic product will deteriorate over the next year, leading to an increased number of defaults. Further details on the loss allowance for these receivables are disclosed in Note 14.

The Group determines concentrations of credit risk by monitoring the country of its trade receivables on an ongoing basis. The credit risk concentration profile of the Group's trade receivables, before allowance for impairment, is as follows:

	Group	
	2026	2025
	US\$	US\$
By country:		
India	250,227	495,254
Sri Lanka	6,123,136	6,509,565
Bangladesh	13,041,451	10,626,839
Qatar	50,231,011	31,744,411
Other countries	787,628	220,830

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

ii) Liquidity risk management

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

As at March 31, 2026 and 2025, financial assets, except fixed deposits (Note 15) and financial liabilities are interest-free, unsecured and repayable on demand or due within 12 months from the end of the reporting period. The maturity profile of the lease liability as the reporting date based on contractual undiscounted repayment obligations is disclosed in Note 17.

iii) Foreign exchange risk management

The Group undertakes in currencies other than their respective functional currencies ("foreign currencies") such as the Singapore Dollars ("SGD"), Sri Lanka Rupee ("LKR") and Bangladesh Taka ("BDT"). Currency risk arises when transactions are denominated in foreign currencies. In addition, the Group is exposed to currency translation risk on the net assets in foreign operations.

Exposure to currency risk

The Group's significant exposure to foreign currencies other than the respective Group entity's functional currencies are as follows:

	2026			
	SGD US\$	LKR US\$	BDT US\$	MYR US\$
<u>Group</u>				
Financial assets				
Cash and cash equivalents	201,275	971,222	141,070	42,711
Trade and other receivables	903,485	3,143,395	633,631	6,158
	<u>1,104,760</u>	<u>4,114,617</u>	<u>774,701</u>	<u>48,869</u>

Trade and other payables	-	(770,520)	(864,432)	(3,874)
Net currency exposure	<u>1,104,760</u>	<u>3,344,097</u>	<u>(89,731)</u>	<u>44,995</u>

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

<u>Group</u>	2025			
	SGD	LKR	BDT	MYR
	US\$	US\$	US\$	US\$
Financial assets				
Cash and cash equivalents	447,695	1,020,495	50,342	106,263
Trade and other receivables	397,127	3,097,065	9,406	4,919
	<u>844,822</u>	<u>4,117,560</u>	<u>59,748</u>	<u>111,182</u>
Financial liabilities				
Trade and other payables	-	(3,061,034)	(83,710)	(5,581)
Net currency exposure	<u>844,822</u>	<u>1,056,526</u>	<u>(23,962)</u>	<u>105,601</u>

<u>Company</u>	2026	2025
	SGD	SGD
	US\$	US\$
Financial assets		
Cash and cash equivalents	201,275	447,695
Trade and other receivables	903,485	397,127
Net currency exposure	<u>1,104,760</u>	<u>844,822</u>

Sensitivity analysis for foreign currency risk

The following table details the sensitivity to a 10% increase/decrease in the exchange rate of the relevant foreign currencies against the functional currency of each group entity. The magnitude chosen represents management's assessment of the plausible movement in foreign exchange rates under trading conditions. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end.

If the relevant foreign currencies strengthen by 10% against the functional currency of each group entity, profit before tax for the year will increase (decrease) by:

	Group		Company	
	2026	2025	2026	2025
	US\$	US\$	US\$	US\$
SGD	110,476	84,482	110,476	84,482
LKR	334,410	105,653	-	-
BDT	(8,973)	(2,396)	-	-
MYR	4,500	10,560	-	-

If the relevant foreign currencies weaken by 10% against the functional currency of each group entity, profit before tax for the year will (decrease) increase by the same amount above.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

(d) *Financial instruments whose carrying amount approximates fair value*

Management has determined that the carrying amounts of cash and cash equivalents, trade and other receivables, and trade and other payables based on their notional amounts, reasonably approximate their fair values because these are mostly short-term in nature. The fair values of other classes of financial liabilities are disclosed in the respective notes to financial statements.

(e) *Capital management policies and objectives*

The Group reviews its capital structure at least annually to ensure that the Group will be able to continue as a going concern. The capital structure of the Group include issued capital, retained earnings and reserves.

The Group's overall strategy remain unchanged from prior year.

5. HOLDING COMPANY AND RELATED COMPANY TRANSACTIONS

The Company is a wholly-owned subsidiary of Redington Limited, incorporated in India, which is also the Company's ultimate holding company. Related companies in these financial statements refer to members of the ultimate holding company's group of companies.

Some of the Company's transactions and arrangements are between members of the Group and the effect of these on the basis determined between the parties is reflected in these financial statements. The intercompany balances are unsecured, interest-free and repayable on demand. Transactions between members of the Group have been eliminated on consolidation and are not disclosed in this note.

Significant transactions during the financial year ended:

Receivables from contracts with customers	68,458,401	48,563,940	16,745,265	16,289,196
Contract liabilities	<u>698,177</u>	<u>758,132</u>	<u>471,956</u>	<u>682,190</u>

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

The Group and the Company have recognised reversal of loss allowance on receivables arising from contracts with customers amounting to US\$965,784 and US\$951,650 (2025 : US\$4,457 and US\$18,739) respectively.

As at April 1, 2024, the Group's trade receivables and contract liabilities arising from contracts with customers amounted to US\$49,906,952 (net of loss allowance of US\$1,031,420) and US\$3,201,467 respectively.

As at April 1, 2024, the Company's trade receivables and contract liabilities arising from contracts with customers amounted to US\$17,801,121 (net of loss allowance of US\$522,466) and US\$2,710,679 respectively.

Contract liabilities primarily relate to the Group's and Company's obligation to transfer goods to customers for which the Group and the Company have received advances from customers.

Contract liabilities are recognised as revenue as the Group and the Company perform under the contract.

Significant change in contract liabilities is as follows:

	Group		Company	
	2026	2025	2026	2025
	US\$	US\$	US\$	US\$
Revenue recognised that was included in the contract liability balance at the beginning of the year	308,993	1,010,418	247,183	542,085

7. PROFIT BEFORE TAX

The following items have been included in arriving at profit before tax:

	Group		Company	
	2026	2025	2026	2025
	US\$	US\$	US\$	US\$
Loss allowance (Reversal of loss allowance) on trade receivables	965,784	(4,547)	951,650	18,738
Reversal of allowance on inventories	(29,342)	(322,020)	(191,226)	(760,989)
Depreciation of plant and equipment	168,616	111,368	8,637	5,521
Amortisation of intangible asset	1	30	-	-
Depreciation of right-of-use assets	274,167	507,696	121,618	233,710
Directors' Fees	58,000	58,000	58,000	58,000
Bank charges	259,075	277,471	133,221	152,692

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS **March 31, 2026**

8. INCOME TAX EXPENSE

	Group		Company	
	2026	2025	2026	2025
	US\$	US\$	US\$	US\$
Current income tax:				
- Current year's corporate income tax	1,458,347	1,559,374	273,387	889,220
- Global minimum top-up tax	453,572	-	-	-
- Over provision in respect of previous years	(51,931)	(23,764)	(55,096)	(48,720)
- Withholding tax	404,816	314,983	404,816	314,983
- India tax provision	(728,788)	2,553,167	(728,788)	2,553,167
	<u>1,536,016</u>	<u>4,403,760</u>	<u>(105,681)</u>	<u>3,708,650</u>
Deferred income tax:				
- Origination and reversal of temporary differences (Note 21)	(9,201)	72,610	-	-
	<u>(9,201)</u>	<u>72,610</u>	<u>-</u>	<u>-</u>
	<u>1,526,815</u>	<u>4,476,370</u>	<u>(105,681)</u>	<u>3,708,650</u>

Domestic income tax is calculated at 17% (2025 : 17%) of the estimated assessable profit for the year. Taxation for other jurisdictions is calculated at the rates prevailing in the relevant jurisdictions.

The total charge for the year can be reconciled to the accounting profit as follows:

	Group		Company	
	2026	2025	2026	2025
	US\$	US\$	US\$	US\$
Profit before tax	10,614,322	12,052,213	592,094	5,279,737
Tax using the Singapore tax rate of 17% (2025 : 17%)	1,804,435	2,048,876	100,656	897,555
Effect of tax rates in foreign jurisdictions	(485,377)	(337,947)	-	-
Current tax expense related to global minimum top-up tax	453,572	-	-	-
Tax effect of not deductible expenses	214,885	79,365	186,560	4,572
Tax effect of income that are not taxable	(70,968)	(145,403)	-	-
Over provision in respect of previous years	(51,931)	(23,764)	(55,096)	(48,720)
Tax effect of partial tax exemption and tax relief	(13,829)	(12,907)	(13,829)	(12,907)
Withholding tax	404,816	314,983	404,816	314,983
India tax provision	(728,788)	2,553,167	(728,788)	2,553,167
Income tax expense	<u>1,526,815</u>	<u>4,476,370</u>	<u>(105,681)</u>	<u>3,708,650</u>

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

The Group is subject to the global minimum top-up tax under Pillar Two Tax legislation. The top-up tax relates to the Group's operations in Qatar. In Qatar, the statutory tax rate is 10 percent, and top-up tax is levied on the subsidiary under the Income Inclusion Rule.

The Group recognised a current tax expense of US\$453,572 related to top-up tax (2025 : US\$Nil) which is levied on the subsidiary. The Group has applied a temporary mandatory relief from deferred tax accounting for the impacts of the top-up tax and accounts for it as a current tax when it is incurred.

The Group has a lease contract for its office premises and warehouses with a lease term of 3 to 7 years. The Group's obligations under its leases are secured by the lessor's title to the leased assets. The Group is restricted from assigning and subleasing the leased assets.

The Group has several lease contracts that include extension options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Group's business needs.

Amount recognised in profit or loss relating to leases (The Group and Company as lessee)

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

Reconciliation of liabilities arising from financing activities

The table below details changes in the liabilities arising from financing activities, including both cash and non-cash changes. Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the statement of cash flows as cash flows from financing activities.

	Group					
	April 1, 2025	New lease liability	Financing cash flows	Termination of lease	Interest expense	Other changes ⁽ⁱ⁾
	US\$	US\$	US\$	US\$	US\$	US\$
Lease liabilities including interest paid	624,759	972,904	(355,922)	(256,336)	45,343	502
						1,031,250

	Group					
	April 1, 2024	New lease liability	Financing cash flows	Termination of lease	Interest expense	Other changes ⁽ⁱ⁾
	US\$	US\$	US\$	US\$	US\$	US\$
Lease liabilities including interest paid	929,067	398,142	(559,205)	(184,760)	41,132	383
						624,759

⁽ⁱ⁾ Other changes include foreign exchange (gain) loss.

18. SHARE CAPITAL

	Group and Company	
	2026	2025
	US\$	US\$
Issued and fully paid: -		
3,800,000 ordinary shares	4,000,000	4,000,000

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restriction. The ordinary shares have no par value.

19. OTHER RESERVE

Employee share option reserve

Employee share option reserve represents the equity-settled share options granted to director and employees. The reserve is made up of the cumulative value of services received from director and employees recorded over the vesting period commencing from the grant date of equity-settled share options.

Employee Stock Option Plan 2008

The director and employees of the Company are eligible to participate in the Share Option Plan ("Option Plan") of the holding company. Options are typically granted with an exercise price equal to or above fair market value on the date of grant. Under the Option Plan, options vest and become exercisable in instalments, generally on a rateable basis. The contractual life of the options is one to eight years. There are no cash settlement alternatives.

There were no share options as at March 31, 2026 and 2025.

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS March 31, 2026

20. MERGER RESERVE

Merger reserve represents the difference between the considerations paid and the nominal value of the share capital issued in respect of the acquisition of subsidiaries accounted for under pooling-of-interest method.

21. DEFERRED TAX ASSET

Deferred tax asset relates to the following:

	Accelerated tax depreciation	Right-of-use assets	Lease liabilities	Employee benefits	Other items	Total
	US\$	US\$	US\$	US\$	US\$	US\$
At April 1, 2024	1,589	(12,667)	12,770	8,897	330,386	340,975
Recognised in profit or loss (Note 8)	1,853	29,377	(29,828)	3,879	(77,891)	(72,610)
At March 31, 2025	3,442	16,710	(17,058)	12,776	252,495	268,365
Recognised in profit or loss (Note 8)	(707)	(141,594)	147,208	(5,469)	9,763	9,201
At March 31, 2026	2,735	(124,884)	130,150	7,307	262,258	277,566

22. DEFINED BENEFIT PLAN

The Group operates a defined benefit pension plan for eligible employees.

	Group	
	2026	2025
	US\$	US\$
The amounts recognised in profit or loss are as follows:		
Current service cost	91,218	108,679
Interest cost	12,667	16,824
	103,885	125,503

Movements in the net liability were as follows:

Balance at the beginning of the year	342,585	316,637
Current service cost	91,218	108,712
Interest cost	12,667	16,629
Actuarial gain	(4,619)	(15,747)
Payments made during the year	(82,444)	(86,983)
Currency realignment	1,703	1,273
Others	(37,309)	2,847
Balance at end of the year	323,801	342,585

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

The principal assumptions used for are as follows:

	<u>Sri Lanka</u> 2026	<u>Qatar</u> 2025	<u>Sri Lanka</u> 2026	<u>Qatar</u> 2025
Discount rate per annum	10%	11%	3.85%	4.40%
Annual salary increment rate	10%	10%	3.85%	4.40%
Retirement age	60	60	60	60

Remeasurements of the net defined benefit liability, comprising actuarial gains and losses arising from changes in actuarial assumptions and experience adjustments, together with the return on plan assets (excluding amounts included in net interest), are recognised in other comprehensive income in the period in which they arise.

These amounts are not reclassified to profit or loss in subsequent periods.

During the year ended March 31 2026, a remeasurement loss of US\$4,619 (2025 : US\$15,747) was recognised in other comprehensive income. The cumulative remeasurement amount recognised in equity at the reporting date amounts to US\$8,238 (2025 : US\$12,857).

23. COMMITMENTS AND CONTINGENCIES

Legal claims contingency

In the ordinary course of business, the Group and Company face claims and assertions by various parties. The Group and Company assess such claims and assertions and monitors the legal environment on an on-going basis with the assistance of external legal counsel, wherever necessary. The Group and the Company record a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Group and the Company provide disclosure in the financial statements but do not record a liability in its accounts unless the loss becomes probable.

	<u>Group</u>		<u>Company</u>	
	2026	2025	2026	2025

Disputed Tax demands				
India Income Tax	38,287,883	42,651,579	38,287,883	42,651,579

REDINGTON DISTRIBUTION PTE LTD AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

March 31, 2026

Pursuant to the tax demand raised by India Income Tax Department for US\$45,047,218 contending that there is a Permanent Establishment in India by Redington Distribution Pte Limited (the "Company") relating to financial years 2010-11 to 2019-20, 2021-22 and 2022-23 (12 years), the Company had filed an application before appropriate authorities in Singapore and India for resolution of dispute under Mutual Agreement Procedure ("MAP") in accordance with the India Singapore Double Taxation Avoidance Agreement. The Company had also made pre-deposit of US\$8,614,951 under protest as part payment for the tax demand raised by the Indian Income Tax authorities. As per the resolution under MAP concluded during FY 2024-25, the respective authorities of Singapore and India have set aside the determination of existence of PE and have proceeded with a resolution for a 25% profit attribution on certain segment of sales for financial years 2010-11 to 2017-18 & 2019-20 (9 years). With respect to FY 2018-19 and 2021-22 (2 years), the Company has since filed the appeals before appropriate appellate authorities in India. The Company is also in the process of filing the application before Singapore and India MAP authorities.

Based on the management's assessment of the demand raised and opinion of the internal legal counsel, the Company created a provision to the extent of US\$6,759,335. The internal legal counsel also opined that apart from the above provision, the rest of the demand is not sustainable in law. The Company also believes that tax demand has been determined in an arbitrary manner and there would be no material adverse outcome in this matter. Hence no provision is created in the books for the remaining amount of US\$38,287,883 (US\$45,047,218 Less: US\$6,759,335).

24. DIVIDENDS

	Group	
	2026	2025
	US\$	US\$
Declared and paid during the financial year:		
<i>Dividends on ordinary shares:</i>		
- Interim exempt (one-tier) dividend for US\$1.45 per share	-	5,500,000
- Final exempt (one-tier) dividend for US\$Nil (2025 : US\$6.32) per share	-	24,000,000
	-	29,500,000

25. AUTHORISATION OF FINANCIAL STATEMENTS

The financial statements for the financial year ended March 31, 2026 were authorised for issue in accordance with a resolution of the directors on May 2, 2026.
